WELCOME

This resource guide is to help you navigate programs and services in Halifax and Truro, Nova Scotia

QUESTIONS TO ASK

These programs and services are often staffed by volunteers and supplied by donations. Although they may not have what you are seeking, they might be able to point you in the right direction. Before you leave or hang up, try to remember their name, always thank them for their time. This way, they will be more willing to help you going forward.

Examples of questions to ask:

1. I have a problem with _____, can you help me?
2. What services do you offer that can help me get settled? (i.e. furniture, clothing)?
3. Do you have anything for children and/or babies (i.e. diapers)?
4. Do you have any programs that can help me with bills/finding childcare/paying rent?
5. Do you know of any special programs that I could be eligible for to help me with _____?
6. Do you know of any good, low-budget options in the area for food/shopping/etc.?

For classes and/or support groups that require attendance:

1. Do the programs offer on-site childcare while I participate?
2. Do I qualify for support with transportation (i.e. bus tickets)?

If they do not have what you are looking for:

1. Do you know of somewhere else that might have what I need?
2. Do you know of someone else I can talk to who might be able to help?
